- **Certified Surgical Technologist (CST)**

Important Dates:

- Informational Sessions: Throughout March
- Application Deadline: Friday, March 28, 2025
- Meeting of Selection Committee: March 31-April 4, 2025
- Acceptance Notification: Friday, April 11, 2025
- Cohort Programs Start: August 2025

Questions:

For more information, please contact Brittany Sorrell, Manager of Workforce Development, at (859) 655-7504 or brittany.sorrell@stelizabeth.com.

Informational Sessions:

Throughout March, we will present informational sessions, featuring:

- Overview of the programs
- Discussion of the application process and requirements

****Attendance at an informational session is mandatory for consideration for admission to any of the programs.***

Registration for the informational sessions is highly encouraged and available in Healthstream. Walk-ins will be accepted, but please register.

To register in Healthstream:

- Click on the "Catalog" header and search for the program that interests you. Click "Enroll," choose a class, and register:
- SEH UC Clermont Surgical Tech Program Info Session

Surgical Technology Program Cohort

- **This program is currently open to SEH associates. SEP is actively working towards participation in 2026.**
- Program space is limited. Not all applicants will be accepted.
- 20-month program offered through University of Cincinnati-Clermont
- UC Clermont Surgical Tech program offers face to face courses and will have time in a didactic classroom and working in a laboratory.
