

PATH-RN COHORT FAQ

St. Elizabeth Healthcare has partnered with Gateway Community and Technical College to offer a cohort opportunity beginning in August 2025:

- Prelicensure Registered Nurse (RN)

Important Dates:

- Informational Sessions: various dates throughout May 2025
- Application Deadline: Monday, June 9, 2025
- Meeting of Selection Committee: June 16, 2025 – June 20, 2025
- Acceptance Notification: Friday, June 27, 2025
- Cohort Program Starts: August 2025

Questions:

- For more information, please contact Brittany Sorrell, Manager of Workforce Development, at (859) 655-7504 or Brittany.sorrell@stelizabeth.com.

Informational Sessions:

- We will present informational sessions to provide:
 - An overview of the programs.
 - Discussion of the application process and requirements.
- Attendance at an informational session is required for admission consideration to any of our programs.
- Walk-ins are accepted, but we highly encourage registering through Healthstream.

Healthstream Registration Steps:

1. Click on the “Catalog” header and search for the program that interests you.
2. Click “Enroll”, choose a class, and register for a **SEH PATH-RN Program Info Session**.

Program Details:

- This program is currently open to SEH associates.
- Program space is limited; not all applicants will be accepted.
- This is a 3-year program offered through Gateway Community and Technical College.
- Start date is August 2025 and projected graduation date is Fall 2027.
- Gateway’s nursing program offers face-to-face courses and includes time in a didactic classroom, working in a laboratory, and on-site clinical courses.
