

ST. ELIZABETH HEALTHCARE 101

Discover Your Future in Healthcare and Human Services

Healthcare is more than just doctors and nurses. It is a diverse ecosystem of IT professionals, socialworkers, administrators and clinicians. Our Healthcare 101 program provides a foundational “ticket to ride” into this world, offering a clear roadmap for those looking to change careers or start a new one.

St. Elizabeth Healthcare, in partnership with Learning Grove, invites you to an immersive career discovery session designed for adults (18+) ready to explore the vast opportunities in the healthcare industry.

What You Will Gain

- **Industry Insights:** A deep dive into the various career clusters at St. Elizabeth, from clinical care to essential support roles.
- **Upskilling & Reskilling Pathways:** Learn about our internal associate programs and educational pathways that help you grow while you work.
- **Expert Guidance:** Connect with our partners at Learning Grove for wrap-around services that help you navigate the logistics of a career transition.

Program Details

- **Location:** Hosted at the state-of-the-art St. Elizabeth Training and Simulation Center.
- **Format:** A focused, 2.5-hour classroom-based session
- **Target Audience:** Adults 18+ exploring new career paths.
- **The Goal:** To equip you with the knowledge and resources needed to move into formal application or specialized job shadowing.

Whether you are a student or a career-changer, we believe every individual deserves a clear, safe and professional path into the healthcare workforce.
