Previous Employment History

Name/Location	Position	Dates

St. Elizabeth Healthcare will not discriminate against any student because of age, sex, race, creed, physical challenges, or national origin. However, certain academic criteria must be met prior to consideration for admission into the School of Medical Laboratory Science. Student selection process involves evaluating the documents submitted and a personal interview with a selected group of Student Representatives or Academic Review Board Members. Interviews for candidates that meet the admission requirements will be held following the application deadline of 11.30.2026 at 5pm EST.

With this application, please also include

- 1. Resume or CV**
- 2. TOEFL scores if English is your second language.**
- 3. Writing Sample: Essay addressing your understanding of the Medical Laboratory Science profession and why you want to be a Medical Laboratory Scientist.**

Your three (3) letters of recommendation and transcripts should arrive separately. Letters of recommendation may be submitted by e-mail.

The application deadline is November 30, 2026, at 5pm: Application, CV, Essay, Letters of recommendation and transcripts are due by the deadline. Incomplete applications will not be scheduled for an interview. Offers for admission will be made mid-January 2027.

If the class enrollment for the 2027-2028 program is not at full capacity additional applicants will be considered until the start of program on July 5, 2027.

Please send this form, your transcripts, and Resume/CV to:
